First of all Pray to **Hanumaanji (Mehandipur Balaji)** to help you.
FOLLOW THE FOLLOWING STEPS:

- On a piece of paper, write you name, that is, if you are a female, write your name and your father's name OR your husband's name.
- If you are a male, write your name AND your father's name.
- Write your current place of residence include City, State & Country including your caste
- Wrap this piece of paper in a fresh unused small yellow cloth (not more than 10X10 inch) along with only 5 cents (US Currency) or only Rs 5 (Indian Rupees)
- Stand in front of your house temple, no matter which **God** you pray to, then pray to **Hanumanji (Mehandipur Balaji)** . Tell **Balaji** your problem and put the wrapped cloth in the temple after touching the same to your forehead.

ASK **HANUMANJI (MEHANDIPUR BALAJI)** that you believe in **Balaji** as you have fulfilled all the duties of **Lord Sita Ramji**. You have helped billions of people. Please bless and forgive me for any of my wrong doings. Ask **Balaji** to consider your prayers by believing and having faith in **Balaji** from the soul of your heart. You are very helpless at this time and need **Balaji's** help.
